We had a special assembly on Monday, May 21st where our school accepted the Momentum Award from Linda Haycock of the state board of education and the Hall of Fame Award from the Ohio Association of Elementary School Administrators. We talked about how we have hit the mark in our classrooms over the last year by winning these awards and we set goals for next year. The students were also able to enjoy extra recess and an ice cream party for their efforts.

Our final Flyer Pride reward day was held on Thursday, May 17th for grades 4-8. 90 students enjoyed an afternoon of pizza, pop and bowling at Speedway lanes in New Bremen.

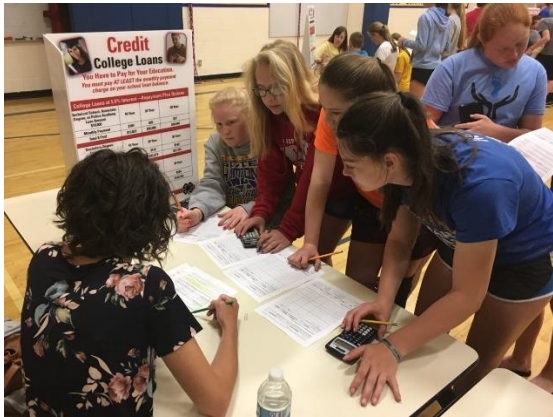

Our 6th-8th grade academic awards assembly took place on Tuesday, May 22nd. Congratulations to Gabe Bruns and Aliyah Arling who were awarded the Top Flyer award for the 2017-2018 school year. 70% of our 7th and 8th grade students earned the Presidential Academic Excellence award for a cumulative grade point average of 3.0 or higher.

Our 8th grade students experienced a Real Money Real World Simulation on Friday May 20th. Students chose an occupation with an accompanying salary. They had to budget how this salary would be distributed among different living options like needing a cell phone, planning

entertainment and general living expenses. Thanks to Mrs. Kessen for bringing this activity to our 8th graders and all of the community members who came in to help.

On Wednesday, May 23rd, K-3 students were given the opportunity to be put into their new classes and meet their teacher for next year. The teachers planned activities for the students and their new classes.

A very special thank you to Jeff Kaup and Paul Utendorf for coordinating our K-8 field day that was held in the afternoon on Tuesday, May 22nd.

STEM activities are prevalent throughout the school year. We had some very interesting activities that came to completion the last week of school year including the 6th grade classes enjoying s'mores from making solar ovens and 7th graders seeing how many pounds their wood bridges could hold. The strongest bridge held 92.5 pounds of weight.

There are so many other great activities that took place in the month of May. Please check out our Twitter page ([#melemflyerpride](#)) to see others.

Thanks to the entire staff for their help in completing OTES post conferences, Value Added Linkage process, attending IEP meetings, working on class lists, etc. and the many other activities. May is a very busy month and everyone handled it very well! It was a great end to the school year.

Motion Items

Exhibit 2

Changes to Permanent Appropriations

- Create new account in 019 Other Grants for ARCOP Grant (M. Elsass) for \$2,000
- Create new account in 499 State Grant for Strategies *Secondary Transition* Student with Disabilities Grant for \$192

Changes to the Certificate of Estimated Resources

- Create new account in 019 Other Grants for ARCOP Grant (M. Elsass) for \$2,000
- Create new account in 499 State Grant for Strategies *Secondary Transition* Student with Disabilities Grant for \$192

Additional Motion Items

Temporary Appropriations

- Approve temporary appropriations for 2018-2019. The general fund will reflect the five year forecast. An exhibit will be on the table in the same format as my monthly changes to the appropriations and estimated resources showing the beginning balances for the next fiscal year.

Activity Budgets

- Approve the activity budgets for the 2018-2019 year as presented by the principals.

College Credit Plus Stipends

- Approve to pay stipends to the following employees for teaching a College Credit Plus course(s):
 - Doug Jutte – Precalculus – \$500
 - Becky Bruns – Computer Applications – 2 Semesters - \$1,000
 - Lynne Yates – Senior English – \$500
 - Julie Overman – Spanish IV – \$500

Donation from 8th Grade to 7th Grade for Washington D.C. Trip

- Resolution for 8th Grade (Class of 2022) to donate their fund balance of \$695.09 to the 7th Grade (Class of 2023) to help indigent students pay for the Washington D.C. trip.

General Property/Casualty, Liability and Bus Insurance

- Stolly Insurance Group provided a quote for the Ohio School Plan to supply our general liability, property and casualty and bus insurance at an annual premium of

\$30,145. Included in the quote is a 1.55% increase in property value. Last year we paid \$31,046. This is a decrease of \$901 or 2.9%. I also had the Southwestern EPC submit a quote.

Other Informational Items

Lunch Prices

- The district will not be raising lunch prices for the 2018-2019 school year due to having a healthy cash balance in the cafeteria fund. Therefore, our prices will remain at \$1.65 for grades K-8 and \$1.90 for grades 9-12. Lunch prices have not increased since the 2014-2015 school year.

Special Meeting in June

- In order to proceed with a bond levy for the facility project on the November ballot we will need to have a special meeting to approve the special needs resolution that is due July 9th to the Ohio Department of Education and Ohio Department of Taxation.
- We might also need a special meeting at the end of June if any major appropriation changes are necessary. I am hoping to avoid this if possible.

Superintendent's Report

A. Executive Sessions

The Board and its committees and subcommittees reserve the right to meet privately in executive session solely to discuss one (1) or more of the following issues exempted from public sessions:

- A. consideration of the appointment, employment, dismissal, discipline, promotion, demotion, or compensation of a public employee, official, or student
- B. investigation of charges or complaints against a public employee, official, license, or student unless such employee, official, licensee or student requests a public meeting; except that consideration of the discipline of a Board member for conduct related to the performance of his/her duties or his/her removal from office shall not be held in executive session
- C. consideration of the purchase of property or sale of property at competitive bidding, if premature disclosure or information would give an unfair competitive or bargaining advantage to a person whose personal, private interest is adverse to the general public interest
- D. discussion, with the Board's legal counsel, of disputes involving the Board that are the subject of pending or imminent court action
- E. preparing for, conducting, or reviewing negotiations or bargaining sessions with public employees concerning their compensation or other terms and conditions of employment
- F. matters required to be confidential by Federal law or rules or State statutes
- G. specialized details of security arrangements where disclosure might reveal information that could be used for the purpose of committing or avoiding prosecution for a violation of law

No official action may be taken in executive session. R.C. 121.22

Collective bargaining meetings between employers and employee organizations are private and not subject to R.C. 121.22. R.C. 4117.21

An executive session will be held only at a regular or special meeting. After the meeting is convened, any member may make a motion for an executive session, and must state the purpose or purposes of the session by citing one (1) or more of the reasons set forth above. If the session is to discuss a personnel matter listed in paragraph A above, the particular subject for which the session has been called must be identified in the motion. The motion does not need to name the person. Upon receiving a second to the motion and a majority roll-call vote of those present and voting, the chairperson shall declare the Board in executive session.

In keeping with the confidential nature of executive sessions, no member of the Board, committee or subcommittee shall disclose the content of discussions that take place during such sessions.

All members of the Board, committee or subcommittee are entitled to attend executive sessions. The Board, committee or subcommittee may invite any other person to attend an executive session.

D. Informational Items

End to School Year

I want to take this opportunity to thank the staff for a wonderful 17-18 school year. We appreciate their hard work along with the students’ willingness to learn. Our communities support is greatly appreciated by the entire staff at Marion Local.

Maintenance Items

We completed the south driveway paving project and patch a couple other areas that needed attention. I want to thank Buehlers for fitting us in their schedule. We are currently working on transforming the high school computer lab to a multifunctional classroom/conference room. With our high school having 1:1 computing, we saw no need to purchase new computers for the lab.
