An impressive 78% of our 8th grade students achieved one of these awards and 82% of our 7th graders won one of the awards.

Congratulations: to Jeanna Heitkamp for being one of four Ohio teachers who were awarded the 2022 Ohio Teaching Awards of Excellence in Mathematics. This comes with a \$1000 grant from the Martha Holden Jennings Foundation.

5th grade Wax Museum: Was held outside on the football field this year and was a huge success. The kids did great and we had a huge turnout of parents and grandparents. I would like to thank the 5th grade teachers who take the time to help prepare the kids for this big event.

Student behavior incentive trips: On May 24th we took 109 of our 127 7th and 8th grade students to Get Air Trampoline Park in Huber Heights. This day was set aside to reward students who had not earned five discipline checks or had any other detention in the second half of the school year. On May 23rd, we took our 4th-6th graders who earned their quarterly reward to Eastview Park in Celina where they enjoyed snacks as well as many different park activities and games that afternoon.

Field day: I would like to thank Jeff Kaup and Greg Bruns who worked so hard to organize our annual field day that was held on Thursday, May 25th. The students had a great time and was a great end of year activity. The 8th graders enjoyed their clap out from the rest of the students at the end of the day. I would also like to thank all of the volunteers who came in that afternoon to help run all of the activities. It was a great end of the school year!

Thank you: Finally, thank you for allowing me to serve as the K-8 Principal for the past 10 years. It has been an absolute honor and I couldn't be luckier to have ended my educational career where it all started!
